

# ***Rickshaw / Folding Cart*** FA-RSC

The Moroka.30 Rickshaw/Folding Cart takes the hard work out of packing gear across open terrain and along tracks. It is ideally suited for winter walk in hunts “behind the gates” adding the capability of taking additional supplies which was previously beyond the capacity of standard backpacks. It is also highly suitable for game recovery and general purpose use around camp.

## **Features and specification:**

- Compact tri-fold design
- 45cm puncture proof wheels
- 60cm wide wheelbase for stability
- Adjustable angle for varied load and terrain
- Net weight: 16KG
- Folded size: 700mmX500mmX230mm
- 135kg capacity
- Optional waistbelt attachment available for hands free hiking
