

WINTERLITE FULL FA-SMF

Full length 4 season sleeping mat

A comfortable good nights sleep is crucial to avoiding muscle soreness from the rigours of the days hunt, and on extended trips quality sleep will keep you focused and your energy levels at their highest. Moroka.30's Winterlite range of sleeping mats provide a great value, comfortable, compact & lightweight option for the hunter. All mats have a true 4 season rating and feature 4.0cm thickness to provide maximum warmth and comfort. The textured non-slip surface will keep you and your bag where you should be, and the three sizes cover all options for the weight concious hunter. Available in 3/4 length, full length and our exclusive custom designed Deluxe tapered mat.
